## **NOTES TO PURCHASERS:**

The Welsh Mule Sheep Breeders' Association extends a warm welcome to Buyers at its twenty-third Sale to be held at Hereford Livestock Centre.

The entry of 5,750 sheep catalogued have been bred on the traditionally bred and healthy hill farms of Wales. The Society members are obliged to use rams officially approved by the Blue-faced Leicester Society as sires for the Welsh Mules on offer, and the sheep have to be bred from either the hardy Welsh Mountain, Speckled-face or Beulah Ewes, all hill breeds, for their hardiness and exceptional mothering qualities.

Despite the fact that the Welsh Mule Society was only officially formulated in 1979 – the breed is already firmly established throughout England and Wales, and now in Scotland, as one of the most popular breeds for crossing with recognised fat lamb sires for the production of prime quality lean fleshed lambs now demanded by both the British housewife and continental markets.

An official survey of the Welsh Mules purchased at the Society's sales confirms the proficiency of the breed under a wide range of management systems throughout England and Wales.

**EWE LAMBS: 134,096 Ewe Lambs in 1712 flocks achieved the following results:**

Percentage lambed                    86.0%

Percentage live lambed    100.3%

**WELSH MULE EWES: 195,832 Ewes in 1589 flocks:**

Percentage lambed                    98.0%

Percentage live lambed    164.4%

The sheep are acclaimed as excellent mothers, giving minimal lambing problems, good milkers, yield wool of a high grade and are of a temperament to adapt to either intensive outdoor or indoor wintering systems. Other commercial characteristics of the breed being their ability to produce early maturing prime lambs, and longevity, resulting in low depreciation rates for Buyers. Breeding stock and their lambs have been exhibited at the major National Shows and National Sheep Association Events in 2019, and a wide spectrum of prime lamb producers were most favourably impressed with the quality of the sheep and of their potential in fulfilling the present-day requirements of the meat trade.

Buyers can be assured there will be adequate transport available for the prompt despatch of sheep purchased, to any part of the UK. It is the intention of the Association to ensure complete satisfaction, all sheep on offer will be approved by an officially appointed panel of inspectors prior to being offered for sale. The Society's Field Officer – Mr Will Jones, will be present at the sale and his services will be available to all intending and actual purchasers both during and after the sale day.

## **Coronavirus Restrictions** **Updated 13<sup>th</sup> July 2021**

At Hereford Market for the safety of our staff and customers we have been as stringent as possible regarding the wearing of masks and distancing together with the 'drop and go' policy.

On Monday 19<sup>th</sup> July 2021 restrictions are to be lifted and it will be left to individuals as to how they act. With yesterday's cases at 34,000 (12<sup>th</sup> July) we will be asking you to please still wear a mask and keep your distance.

Currently, with 34,000 cases per day, predicted to rise to 100,000 cases per day this pandemic, especially the Delta strain is most definitely not yet over. Thankfully, many of us are now 'double-jabbed' but there are still plenty of cases of people having symptoms after the two vaccinations. Complacency has set in and it will be difficult to get people to wear masks and distance again but it is massively important that this is done to protect yourselves and our staff as we don't want to have a breakdown in what is our busiest time of the year, August through to mid-November. We have been cautious for 16 months since the beginning of this pandemic but it may now be even more important to be vigilant than at any previous time, as the amount of mixing has increased dramatically and will increase further after 19<sup>th</sup> July. We would therefore ask you to work with us and do as previously:

1. Act responsibly
2. Wear a face mask
3. Keep a 2-metre distance
4. Sanitise your hands

There is no need to feel self-conscious if you wear a mask and others don't, your health is a lot more important than ill-judged bravado!  
We look forward to your continued support and cooperation.

**FACE MASKS MUST BE WORN AT  
ALL TIMES IN THE MARKET**

**2<sup>nd</sup> SALE**  
**2021 EWE LAMB COMPETITION:**

**TUESDAY, 12<sup>th</sup> OCTOBER 2021**

**THE VERNON WILSON MEMORIAL CUP  
WILL BE AWARDED TO THE  
BEST PEN OF 20 OR MORE  
EWE LAMBS**

Note:

Members wishing to enter the Ewe Lamb Competition must submit their names to the Auctioneers by 9 am on the morning of the sale.

**Catalogue order:**

Taking the 2020 catalogue order, the Vendors to be divided in three sections, the first section to be moved to the rear, and this will be repeated each year. A draw was then made to determine the order of each section. Members selling for the first time are placed at the rear of the catalogue.

There was a draw to determine the catalogue position for Ewes, as in the past.
